Dark Circles & Fine Lines – Vitamin A Serum

E2

BENEFITS: Light and silky eye serum to reduce dark circles, fine lines, wrinkles and puffiness while building up collagen and hydration for a rejuvenated, plump appearance. Combines multiple skin-repairing active ingredients to brighten the skin and restore the lipid barrier, to reduce signs of ageing around the eyes.

KEY INGREDIENTS:

- **Retinaldehyde 0.05%** - the strongest form of safe, non-irritating Vitamin A
- **Collagen building peptides** and antioxidants
- **Hyaluronic Acid** for moisture
- **Arnica** to aid circulation
- **Vitamin K** to help reduce dark circles
- Multi-Mineral blend of **Magnesium, Copper, Zinc**

COMBINATION OF 17 DIFFERENT MEDICAL GRADE ACTIVES:

Ultimate protection and repair to **reduce pigmentation, dark circles and fine lines** while strengthening the delicate skin of the eye area and eyelids

Supreme, **silky eye serum** helps improve collagen strength and reduce puffiness for lasting rejuvenation

Super hydrating with both ultra low molecular weight **hyaluronic acid** and normalised hyaluronic acid

Multiple antioxidants help to reverse and **prevent UV radiation damage**

Helps to strengthen and **restore the skin's natural barrier**

Helps **restore clarity, radiance, luminosity** and a more uniform, even skin tone

Calms and gently stimulates the skin's **natural exfoliating process**

Retinaldehyde is the strongest and most effective Vitamin antioxidant and form of Vitamin A

- It can be used safely twice daily and **does not cause redness and peeling** as can RetinA and Retinol
- It is **safe during pregnancy** as it does not enter the bloodstream

Vitamin K **inhibits red/blue discolouration** from leaky capillaries, and combined with Arnica, helps clear discolouration

Highly concentrated and pure refined serum

Light and extremely therapeutic base of **natural organic oils**, promoting soothing, **anti-inflammatory and anti-infective** results

Free of blocking and occlusive filler chemicals - no artificial colours, fragrances, lanolin, mineral oils, parabens, silicones or synthetic fillers

Ideally to be used in combination with **ABC Repair & Restore Antioxidant Serum, Collagen Peptide - Pores & Fine Lines Serum Rx, Super Whitening & Brightening - Pigment Serum Rx, Super B - Brightening & Hydrating Serum Rx** and **Super C - Pigment & Hydration Serum Rx** for synergistic results

SKIN TYPE: All, including Wrinkled, Dark or Puffy

DIRECTIONS: Apply 1/2 pea size after cleansing, morning & night. Pat on gently. May also be applied to lips.

KEY ACTIVES AND BENEFITS

Retinal (Retinaldehyde/Vitamin A)

- Strongest form of Vitamin A, converted to Retinoic Acid in the skin
- Most corrective and protective vitamin antioxidant
- Non-irritating, should be used twice daily
- Pregnancy safe as it does not enter the bloodstream
- Removes free radicals, alters damaged DNA for healthier new cells
- Helps promote collagen cell production to restore lost volume to your skin
- Helps to reduce fine lines by aiding restoration of the skin's natural fibres
- Reduces sebaceous oil production and aids regulation of natural oils
- Helps to reduce congestion in acne and rosacea, normalizing hyperkeratinisation
- Minimises hyperpigmentation by normalizing over active melanocytes
- Helps reduce redness and vascular damage to capillaries

Arnica

- An efficient anti-inflammatory and antimicrobial that promotes blood circulation

Phytonadione (Vitamin K)

- Inhibits bleeding from damaged capillaries into surrounding tissue
- Speeds the absorption of blood away from the surface area to help eliminate dark circles

Palmitoyl Oligopeptide

- Promotes natural collagen regeneration in the skin
- Helps improve skin elasticity
- Activates skin repair
- Helps reduce the appearance of wrinkles and fine lines

Palmitoyl Tetrapeptide-7

- Promotes natural collagen regeneration in the skin
- Helps improve skin elasticity
- Activates skin repair

- Helps reduce the appearance of wrinkles and fine lines

Acetyl Octapeptide-3

- A peptide that helps prevent the formation of wrinkles and fine lines
- Reduces the muscle contractions that cause facial wrinkles by safely inhibiting acetylcholine
- Helps maintain the youthful structure of collagen and elastin fibres
- Helps protect the skin's natural barrier
- Studies found wrinkle reduction after 28 days of twice-daily use

Hyaluronic Acid

- Hydrates by increasing permeability and absorption of water into the skin
- Occurs naturally in the skin and attracts and binds up to 1000 times its weight in water
- Plumps the surface tissue to relieve dryness
- Helps repair natural barrier function
- Reduces moisture loss in the skin

Hyaluronic Acid - Low Molecular Weight

- Hydrates by increasing permeability and absorption of water into the deeper skin cell layers
- Low weight molecules to penetrate the deeper layers of your skin
- Occurs naturally in the skin and holds up to 1000 times its weight in water
- Helps to plump and hydrate the skin cells deeply from within
- Helps repair natural barrier function
- Helps to improve immune defence, antibacterial and healing responses
- Helps to restore more youthful self-hydration factors diminished by ageing and sun damage

Mangosteen Fruit Extract

- A potent antioxidant, rich in Vitamin C with anti-inflammatory and antibacterial properties
- Aids circulation and wound healing
- May have anti-tumour properties

Glycine Soja (Soybean) Protein

- Botanical blend of nourishing amino acids acquired from purified soy & rice
- Helps to strengthen the layers of skin that regulate elasticity
- Aids circulation to help reduce the appearance of dark circles

Squalene

- A natural, fast-absorbing lipid derived from olives
- Helps improve moisture balance and elasticity to aid natural skin repair
- Reduces the production of excess oil
- Can help treat allergies, eczema, psoriasis, rosacea and post-operative scar tissues

Coenzyme Q10

- A naturally occurring enzyme that provides biological energy (ATP) to cells
- Aids cell repair and maintenance of cellular health
- Neutralises free radicals to help prevent ageing

Niacinamide (Vitamin B3)

- Helps reduce sensitivity by repairing natural barrier function
- Potent anti-inflammatory that can calm atopic skin disorders
- Inhibits some melanin transfer to normalise pigmentation
- Helps regulate moisture levels in the skin by reducing overactive sebum production and restoring natural hydration
- Helps deliver other vital nutrients to the skin

Aloe Vera Juice Extract

- A soothing humectant with anti-inflammatory and healing properties that can soothe itching skin

MULTI-MINERAL BLEND OF ELEMENTS:

Magnesium Aspartate

- Helps the skin to maintain and synthesise proteins for youthful strength and health in the skin

Copper Gluconate

- Encourages synthesis of keratin, collagen and ATP (biological energy for cells)

Zinc Gluconate

- Plays an essential role in collagen production
- Wound healing properties to prevent scarring
- Helps boost immune function and reduce inflammation
- Regulates oil gland activity and promotes healing of acne
