Rich Skin Repair Moisturising Cream - Active Rx Vitamin & Collagen Enriched, Plumping Moisturiser

M3

BENEFITS: Vital moisture for dehydrated skin, enriched with active nourishing ingredients to help repair the skin's natural barrier and promote a dewy, radiant and more youthful appearance. Non-occlusive and non-comedogenic. Can be applied underneath makeup.

KEY INGREDIENTS:

- **L-22 Lipid Composition** to restore the natural barrier
- **Collagen** building peptides for skin strength and elasticity
- **Hyaluronic Acid** for moisture
- Oil-soluble **Vitamin C** to brighten the skin and prevent ageing
- **Acetyl Octapeptide-3** to help reduce fine lines
- **Antioxidants** - Resveratrol and L-Carnitine to nourish and protect
- **Coenzyme Q10** to help prevent ageing
- **Marine Collagen** to help maintain elasticity

COMBINATION OF 15 DIFFERENT MEDICAL GRADE ACTIVES:

Intense **hydration and plumping** with Hyaluronic Acid

Helps **repair the skin's natural barrier**

Helps **reduce the visible signs of ageing**

Helps **inhibit the formation of pigment** for a brighter, more even skin tone

Works to **soothe and calm the skin**

Helps to stimulate collagen for **more youthful-looking skin**

Pure concentrated formulation

Free of blocking and occlusive filler chemicals - no artificial colours, fragrances, lanolin, parabens, silicones, mineral oils or synthetic fillers.

SKIN TYPE: All, Sensitive

DIRECTIONS: Apply 1 pump after cleansing twice daily, after any serums, before sunscreen.

KEY ACTIVES AND BENEFITS

Epidermal Growth Factor (rh Oligopeptide)

- Accelerates the growth of healthy skin cells
- A medically engineered peptide that accelerates cell growth to help reduce the appearance of wrinkles
- Stimulates collagen to help improve elasticity in the skin
- Helps prevent scar tissue formation
- Assists in wound healing and repair of damaged skin
- Stimulates protein, cell growth and DNA repair

Palmitoyl Oligopeptide

- Promotes natural collagen regeneration in the skin
- Helps improve skin elasticity
- Activates skin repair
- Helps reduce the appearance of wrinkles and fine lines

Palmitoyl Tetrapeptide-7

- Promotes natural collagen regeneration in the skin
- Helps improve skin elasticity
- Activates skin repair
- Helps reduce the appearance of wrinkles and fine lines

Tetrapeptide 30

- Active peptide that inhibits pigmentation
- Promotes a brighter and more even skin tone
- Helps reduce acne lesions and sun spots
- Helps alleviate melasma on all skin types
- Anti-inflammatory properties

Hyaluronic Acid

- Hydrates by increasing permeability and absorption of water into the skin
- Occurs naturally in the skin and attracts and binds up to 1000 times its weight in water
- Plumps the surface tissue to relieve dryness
- Helps repair natural barrier function
- Reduces moisture loss in the skin

Hyaluronic Acid - Low Molecular Weight

- Hydrates by increasing permeability and absorption of water into the deeper skin cell layers
- Low weight molecules to penetrate the deeper layers of your skin
- Occurs naturally in the skin and holds up to 1000 times its weight in water
- Helps to plump and hydrate the skin cells deeply from within
- Helps repair natural barrier function
- Helps to improve immune defence, antibacterial and healing responses
- Helps to restore more youthful self-hydration factors diminished by ageing and sun damage

Ascorbyl Tetraisopalmitate (Vitamin C)

- Helps boost collagen synthesis for anti-ageing benefits
- Suppresses melanin synthesis for a brighter more even skin tone
- Helps protect the skin from oxidative stress to prevent further ageing
- Helps to brighten the skin and inhibit pigmentation

Resveratrol

- A potent antioxidant extracted from red grapes and knotweed
- Helps protect cells from DNA damage caused by UV exposure and oxidative stress
- Anti-inflammatory, antibacterial and anti-acne properties

Acetyl Octapeptide-3

- A peptide that helps to prevent the formation of wrinkles and fine lines
- Reduces the muscle contractions that cause facial wrinkles by safely inhibiting acetylcholine
- Helps maintain the youthful structure of collagen and elastin fibres
- Helps protect the skin's natural barrier
- Studies found wrinkle reduction after 28 days of twice-daily use

Hydrolyzed Marine Collagen - Low molecular weight

- Helps maintain skin elasticity by supporting collagen regeneration
- Inhibits wrinkle formation and helps maintain youthful volume
- Stimulates hyaluronic acid in the skin to help maintain moisture
- Low weight molecules to reach the deeper layers of your skin

L-22 Lipid Composition

- Comprised of jojoba oil, macadamia seed oil and other botanical components with a consistent structure to the lipids found in the skin's natural barrier
- Promotes hydration and skin barrier repair
- Helps the natural hydration function within the skin, reducing dependence on external products
- Can contribute to improved elasticity

Squalene

- A natural, fast-absorbing lipid derived from olives
- Helps improve moisture balance and elasticity to aid natural skin repair
- Reduces the production of excess oil
- Can help treat allergies, eczema, psoriasis, rosacea and post-operative scar tissues

Coenzyme Q10

- A naturally occurring enzyme that provides biological energy (ATP) to cells
- Aids cell repair and maintenance of cellular health
- Neutralises free radicals to help prevent ageing

L-Carnitine

- A natural amino acid that promotes cell turnover for a gentle natural exfoliating effect
- Transports nourishment to cells to provide energy for cell turnover
- Antioxidant helps cell energy production
- Aids moisture retention

Sodium PCA

- A natural component found in skin that helps to preserve moisture and correct dehydration
