ABC Repair & Restore

Antioxidant Serum Rx1

S1

BENEFITS: Helps to refine skin texture, pores and fine lines to restore a more youthful radiance with a brighter, clearer and smoother complexion.

KEY INGREDIENTS:

- **Retinaldehyde 0.25%** - the strongest form of safe, non-irritating Vitamin A
- **Niacinamide 5%** - the most important Vitamin B
- **Kakadu Plum Extract 5%** - the richest source of Vitamin C

COMBINATION OF 20 DIFFERENT MEDICAL GRADE ACTIVES:

Super serum combination of **20 different antioxidants** and medical grade therapeutic active agents

Helps reduce the appearance of **wrinkles and signs of ageing**

Helps **remove free radical cell damage** to promote healthier cell vitality and function

Helps to strengthen and **restore skin's natural barrier**

Super hydrating with both ultra low molecular weight hyaluronic acid and normalised hyaluronic acid

Helps to regulate and **control oil congestion** and even skin tones

Helps to reverse and **prevent ultra violet radiation** damage

Powerful complex to help regulate cell function and **smooth, brighten and clear complexion**

Highly concentrated and pure, refined serum

Retinaldehyde is the strongest and most effective vitamin antioxidant and form of Vitamin A

- It can be used safely twice daily and **does not cause redness and peeling** as can Retin A and Retinol
- It is **safe during pregnancy** as it does not enter the bloodstream

Light and extremely therapeutic base of **natural organic oils**, promoting soothing, **anti-inflammatory and anti-infective** results

Free of blocking and occlusive filler chemicals - no artificial colours, fragrances, lanolin, parabens, silicones, mineral oils or synthetic fillers

Ideally to be used in combination with **Super Whitening & Brightening Pigment Serum Rx**, and **Collagen Peptide Pores & Fine Lines Serum Rx** for synergistic results.

SKIN TYPE: All / Normal

DIRECTIONS: Use only 1 pump, morning and night, after cleansing, before moisturiser and sunscreen.

KEY ACTIVES AND BENEFITS

Retinal (Retinaldehyde/Vitamin A) 0.25%

- Strongest form of Vitamin A, converted to Retinoic Acid in the skin
- Most corrective and protective vitamin antioxidant
- Non-irritating, should be used twice daily
- Pregnancy safe as it does not enter the bloodstream
- Removes free radicals, alters damaged DNA for healthier new cells
- Helps promote collagen cell production to restore lost volume to your skin
- Helps to reduce fine lines by aiding restoration of the skin's natural fibres
- Reduces sebaceous oil production and aids regulation of natural oils
- Helps to reduce congestion in acne and rosacea, normalizing hyperkeratinisation
- Minimises hyperpigmentation by normalizing over active melanocytes
- Helps reduce redness and vascular damage to capillaries

Superox C - Terminalia Ferdinandiana (Kakadu Plum) Fruit Extract (Vitamin C) 5%

- Helps boost collagen synthesis for anti-ageing benefits
- Aids synthesis of Hyaluronic Acid to protect moisture in the skin
- Suppresses melanin synthesis for a brighter, more even skin tone
- Helps protect the skin from oxidative stress to prevent further ageing
- Contributes to overall skin radiance and health

Niacinamide (Vitamin B3) 5%

- Helps reduce sensitivity by repairing natural barrier function
- Potent anti-inflammatory that can calm atopic skin disorders
- Inhibits some melanin transfer to normalise pigmentation
- Helps regulate moisture levels in the skin by reducing overactive sebum production and restoring natural hydration
- Helps deliver other vital nutrients to the skin

Hyaluronic Acid

- Hydrates by increasing permeability and absorption of water into the skin
- Occurs naturally in the skin and attracts and binds up to 1000 times its weight in water
- Plumps the surface tissue to relieve dryness
- Helps repair natural barrier function
- Reduces moisture loss in the skin

Hyaluronic Acid Low Molecular Weight

- Hydrates by increasing permeability and absorption of water into the deeper skin cell layers
- Low weight molecules to penetrate the deeper layers of your skin
- Occurs naturally in the skin and holds up to 1000 times its weight in water
- Helps to plump and hydrate the skin cells deeply from within
- Helps repair natural barrier function
- Helps to improve immune defence, antibacterial and healing responses
- Helps to restore more youthful self-hydration factors diminished by ageing and sun damage

Porphyra Umbilicalis (Red Algae) Extract

- Sea Algae compound, a powerful natural UV filter
- Helps to protect the skin from photo-ageing and reduce free-radical damage
- Counteracts photosensitivity effects of Retinaldehyde (Vitamin A) for daytime use

Canadian Willow Herb Extract

- A natural analgesic, anti-inflammatory, anti-microbial and antioxidant to soothe the skin and help prevent irritation

Bisabolol

- Potent anti-inflammatory with anti-microbial activity
- Accelerates wound healing & reduces irritation
- Aids penetration of other actives into the deeper layers
- Hydrates, supports collagen & inhibits pigment formation

Chamomile Flower Extract

- Soothing anti-inflammatory that has shown some wound-healing and moisturising benefits for the skin

Symwhite (Phenylethyl Resorcinol)

- Powerful inhibitor of tyrosinase (the enzyme that catalyses melanin production)
- Helps to brighten skin and reduce pigmentation
- Studies found that 90% of testers reported fading within 28 days
- Derived from pine trees

CoEnzyme Q10

- A naturally occurring enzyme that provides biological energy (ATP) to cells
- Aids cell repair and maintenance of cellular health
- Neutralises free radicals to help prevent ageing

Beta Glucan

- A natural fibre molecule with healing properties that can help to reduce redness

L-Carnitine

- A natural amino acid that promotes cell turnover for a gentle natural exfoliating effect
- Transports nourishment to cells to provide energy for cell turnover
- Antioxidant helps cell energy production
- Aids moisture retention

Aloe Vera Juice Extract

- A soothing humectant with anti-inflammatory and healing properties that can soothe itching skin

Sodium PCA

- A natural component found in skin that helps to preserve moisture and correct dehydration

Phyto Anti-Inflammatory Blend

- A unique blend of essential oils and extracts
- Derived from Aloe, Allantoin, Calendula Officinalis, Chamomile, Colloidal Oatmeal (Avena Sativa) and Beta Glucan
- Anti-inflammatory, antimicrobial and antifungal properties
- Light and non-occlusive (won't block pores)
